Letter from the Europe Regional Director

Dear DKG colleagues

It was wonderful to meet so many of the European members at the conference this summer. Thank you all for taking part, for your contribution and for making it such a joyful event.

Communication I would like to encourage you to use your forums (website and facebook) to communicate with other DKG members. Have you considered writing something in the next Euforia?

Euforia Our new Euforia editor, Helga Thorlacius from Gamma chapter in Iceland, is welcoming material for the next issue. Please email her before October 20,
helga.thor@simnet.is

It can be something from the state/country, from a chapter, - from a member or an event or project.

What about asking the members some questions?

Did something inspire you at the conference this summer or at a state meeting?

Have you been attending a conference, seminar or a meeting?

Are you writing a paper about something you want to tell us about?

Have some members received an award? Do you have an idea?

A word of inspiration for us?

Helga Thorlacius

Forum Committee The Forum Committee will have their meeting the first weekend of November in Tallinn. Please send your ideas to Elisabeth Starner, the Forum chair, or to your member in the committee.

Visits I hope to continue visiting our members in Europe this year, not necessarily at a state meeting, but also at a chapter or a board meeting. It was very interesting and helpful to meet some of you last year and of course also at the conference this summer. I have been thinking of how we could carry on the conversation about what we are doing, what we want to share and how we want to inspire one another.

Read about the DKG Educational Foundation, giving awards towards both individual professional development, development for seminars and projects.

Members have expressed an interest in carrying on discussion between conferences/conventions and I want to follow up on that this winter. I also plan to collect feedback from the various excellent workshops, takeaways and speakers we had at the conference this summer. And last but not least, to hear about your theme this winter. What are you emphasizing in your chapters?

I am looking forward hearing from you. Have a great DKG year!

Ingibjörg Jónasdóttir
Europe Regional Director 2018-2020

Membership is based on involvement, let us connect!
