

Call for Session Proposals

Dear DKG Members,

The European Forum Program Committee warmly invites members to contribute to the **DKG European Forum Conference 2027** by leading an interactive session during the conference.

This year's theme, "**Education and Learning - Unlocking Opportunities for All,**" encourages participants to explore innovative approaches, research, best practices, and inspiring initiatives that promote inclusive and future-oriented education.

We invite proposals for sessions of **up to 45 minutes** that engage participants and contribute meaningfully to the conference theme.

What We Are Looking For

We welcome presentations, workshops, panel discussions, and interactive learning experiences that:

- Inspire professional growth and collaboration
- Promote equity, inclusion, and lifelong learning
- Share research, projects, or successful initiatives
- Encourage dialogue among educators across Europe and beyond

Important Deadline

 **Proposal Submission Deadline: February 1, 2027**

The Program Committee will review all submitted proposals and notify presenters following the selection process.

Submission

Please send your proposal to:

hilde.hangeland@kkg.vgs.no

Chair of DKG European Forum Program Committee

1. Session Title

A clear and engaging title for your session.

2. Brief Description of Content

A short, written or video recorded summary (approximately 150-250 words) describing:

- The focus and objectives of the session
- The intended audience
- Key learning outcomes for participants
-
- A brief explanation of how the proposed session relates to **"Education and Learning - Unlocking Opportunities for All"**

3. Room and Technical Requirements

Please specify any practical requirements needed in the meeting room, such as:

- Projector and screen
- Audio equipment
- Internet access
- Tables arranged for group work
- Flip charts, whiteboards, or other materials
- Open floor space for activities

Join Us in Kristiansand!

Help create an inspiring conference experience by sharing your expertise, ideas, and passion for education. Together, we can explore how learning opens doors, strengthens communities, and creates opportunities for all.

We look forward to receiving your proposal and welcoming you to **Kristiansand, Norway**.
