Letter from the Europe Regional Director

Dear State presidents in Europe

I want to thank you all for your support and I am looking forward to working with you this coming year. It was refreshing to feel your strength in Austin and I have no fear that we will be visible and continue to grow as a region.

I do want to send you a short reminder, hopefully once a month about things we need to encourage ourselves and our members to do, and of updates of what is happening in our region. I want us also to be active communicating via email and by posting things on the European Webpage.

Planning

- Dates of your conventions in the year 2019

Planning

As soon as you know the dates of your conventions in the spring it would not be a bad idea to publish them on our European Website. I am eager to start planning my visits to your countries.

GoTo/ Skype/Facetime Meetings???

- Find time to meet online

Meetings online

Some of you asked me if we could meet online at some point. I would very much like that and will start planning that next month or after my meeting in Austin in September.

Ideas

- What can we do together?

Ideas

What can we do together as a region and how can we connect? I believe it is possible through involvement of our members. Please ask your members for ideas.

Good practices

Success stories on the European Website.

- One story from each country

Success stories

Another thing we could collect, and that is success stories from our countries and post them on our website. Why not focus on the good positive things happening in our countries, encourage each other and get ideas.

I wish all of you a good time when planning your last year as State presidents.

Ingibjörg Jónasdóttir
Europe Regional Director 2018-2020
