Retrospection on the State Convention May 2016 reactions and photo's

The Steering committee, the Administrated Board and everybody have worked very hard on the program, speakers, a souvenir of 40 years DKG Nederland and much more to make this convention a fantastic convention. We started on Friday afternoon with a dinner in a restaurant called Humphry's. On Saturday there were more than fifty participants. Among them there were guests from Germany, Norway, Sweden. The dinner on Saturday night with speeches and presents. And on Sunday morning we made a boat trip through the canals of Zwolle. I am proud and thankful for everything. But above all things proud that so many people worked so hard up until the last minute to make this convention a big success.

Photographer was Marie-Antoinette's husband, Peter Hubers.

Uit de Rundbrief van DKG Duitsland van juli 2016, door Dagmar Ullmann:

Am 28. Mai fuhren Claudia, Daniela und ich nach **Zwolle**, wo während der Jahrestagung das 40jährige Bestehen von DKG Nederland gefeiert werden sollte. Uns erwartete an einem sehr schönen Tagungsort ein abwechslungsreiches Programm mit zwei interessanten Keynote-Vorträgen. Und obwohl Sanda Smith Bull als International Representative sehr kurzfristig absagen musste, gelang es den Niederländerinnen, die im Programm entstandene Lücke mit einem sehr interessanten Vortrag zu schließen. Im Namen aller deutschen DKG-Mitglieder habe ich die Glückwünsche zum Jubiläum überbracht und unseren Wunsch nach weiterer enger Zusammenarbeit übermittelt.

Dear Corl

I am sorry to reply so late. But I have been out of the country, and had no access to my computer. You have asked me to give some impression from the 40- year celebration in Zwolle. But I can briefly say that I appreciated to be with you!

I have over the years we have met, at conventions and committees, become friendly with many of your members. Somehow I feel familiar with people from the Netherlands. We are not too different as persons. (Maybe also because I had a dear ant coming from Horn.)

The international aspect of DKG is very important for me; to make friends beyond borders. You had a good celebration. Although I do not understand your language, I understood from the topics that you had good speakers. We had also a very interesting sightseeing in Zwolle, as well as the canal tour. Zwolle is a charming and interesting town.

I also enjoyed the "birthtday" party Saturday evening. So, in all aspects, I enjoyed the weekend tremendously. It was interesting, and I was well looked after.

Thank you again for your hospitality!

I think it is a good idea to visit each other in this way. It keeps Europe closer together.

Best regards,
Astrid

THE DELTA KAPPA GAMMA SONG

Women teachers, to the calling,
 Firmly rally, never falling,
 Duty ne'er upon us palling,
 Staunch, courageous, we!
 Loyalty and trust e'er heeding!
 Mindful of our sisters needing
 Aid and guidance from those leading
 Helpful may we be!

To Delta Kappa Gamma
 Faith we pledge forever!
 Hand in hand our loyal band,
 Forward moving ever!

Onward! 'tis our sisters need us,
 Courage, Faith and Honor lead us!
 Wrongs in truth and justice heed us!
 Firmly shall we stand!

Guardians of the faith yet sleeping,
 For our sisters watch e'er keeping,
 Deeds of others now we're reaping,
 We for others stand!

To us pioneers have given;
 We return their gifts to Heaven;
 Work for others is the leaven
 That inspires our band!

Oh, Delta Kappa Gamma
 In thy fold we gather;
 Unity and Liberty
 Shall be our watchwords ever!

Education e'er we'll further;
 Each is bound to each as brother;
 With this faith in one another
 We shall win for aye!

Anneke Bolle, founder and 40 years a member.

Anneke is no longer able to travel and so Ria Bleeker and I went to her to bring her flowers, a certificate for 40 years membership. She was the first one who got the gift of the porcelain rose. She has been a European representative, member of the Expansion committee who was involved in the start of Germany. And behind the screens she worked hard to get Europe as a Region. And she got many followers.
