

Notes from European Forum Committee meeting in Zoom, 09.09.2020

Starts at 18:30 (Stockholm time)

Ended: at 20:00 (Stokholm)

Participating: Ewa Johansson (SWE) Marie-Anoinette de Wolf (NED), Marika Heimbach (GER), Pia Nyman (FIN), Guðrún Edda Bentsdóttir (ISL), Reeli Tänavsuu (EST)

Were missing: Evelyn Godsell (UK), Astrid Skaaland (NOR)

Ewa Johansson began the meeting with a self-introduction, after which all participants “got the floor” to introduce their background, connection with the DKG society etc.

The prospect of organizing meetings under Covid-19 conditions is to continue in Zoom and hope that one day we will meet. The advantage of this situation is the use of ICT technology, which allows younger members to be invited / joined. Saves time and travel costs.

Our aim is to draw up an action plan for the future in these circumstances.

Who agrees to take minutes of today's meeting? NON 😊

It is necessary to agree on dates, topics, etc. that we should discuss. How often do we meet? Too bad we can't go to the Netherlands to meet, maybe next year's issue. We need to be flexible

Marie-Antoinette: It is not sensible to meet in the Netherlands in November. Too soon. It may be wise to get together every 6 weeks - communicate and talk about what's going on, what's done.

Marika: that's a good idea! Maybe it's wise to meet once a year, at other times to communicate in Zoom

Ewa: hopefully today's time is suitable for the Zoom meeting. If we need to communicate longer, we will do so on another day and longer.

We agreed on a shorter Zoom meeting for the evening time for 20th October and a longer working day in Zoom, (*Skype; Google classroom etc.*) for November 22.

Marie-Antoinette: Ria was interested in who will take over tasks of the treasurer?

Marie-Antoinette agreed to take them over, as Ria is also from the Netherlands and it is easier to arrange...

Ewa sets the agenda for the next meeting and forwards it to everyone through Dropbox.
